## Dashboard

The screenshot shows the NBPHE dashboard interface. At the top right, the time is 12:59pm, EST Aug 07th, 2024. The user's name, ASHLEY MUELLER, and the NBPHE logo are visible in the top left. A 'TestRun' button is on the left sidebar. A '35 DAYS UNTIL EXAM' badge is prominently displayed. A 'Select Your Exam' dropdown menu is set to 'CPH Practice Exam'. The 'CPH Practice Exam Outline' section shows progress bars for different domains: CPH - ALL DOMAINS (25%), Data, Analysis, and Informatics (51%), Communications (90%), and Leadership (90%).

**Enter your CPH exam date here to create a countdown**

**Click on the Question Mark (?) to access the user instructions**

**Click on Menu to access your Account Information**

**Click here to adjust the Accessibility to your preferences**

Domain	Progress
CPH - ALL DOMAINS	25%
Data, Analysis, and Informatics	51%
Communications	90%
Leadership	90%

## Practice Tests

You can take practice tests in all domains or an individual domain.

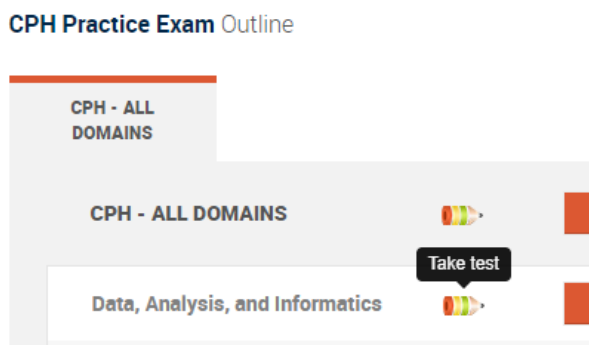

Click on the pencil by **CPH – All Domains** to take a practice test that includes all

Click on the pencil by a specific domain to take a practice test with questions in just that domain

## Take a Practice Test

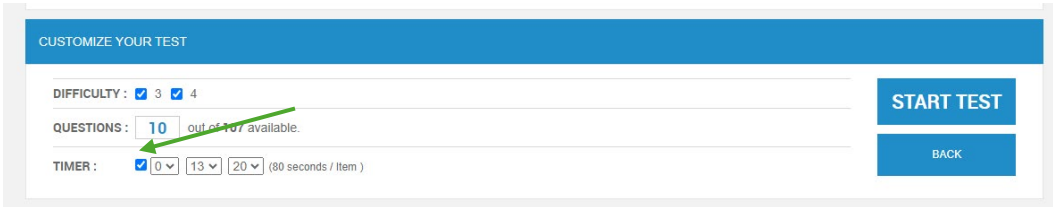

1. Click on the **Pencil** icon next to the domain you wish to study.

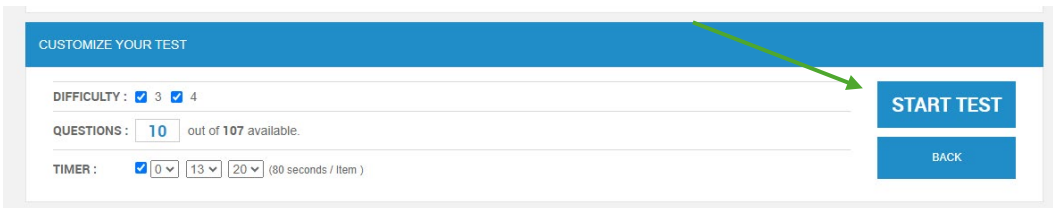

2. Set the number of questions you want to practice by updating the number of questions in blue.

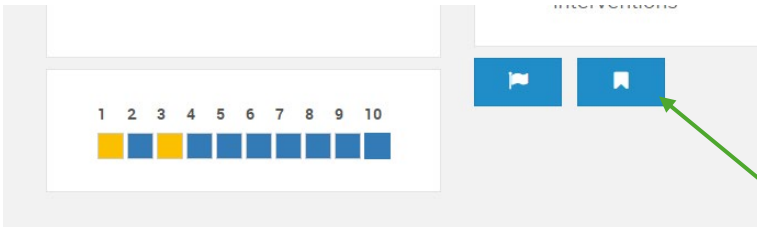

3. The practice test is automatically set to give you 80 seconds per question. You can turn this off by unclicking the checkbox.

4. Click **Start Test**.

5. Answer the questions. You can bookmark items to go back to and answer at the end. The bookmarked items will appear yellow in your progress bar.

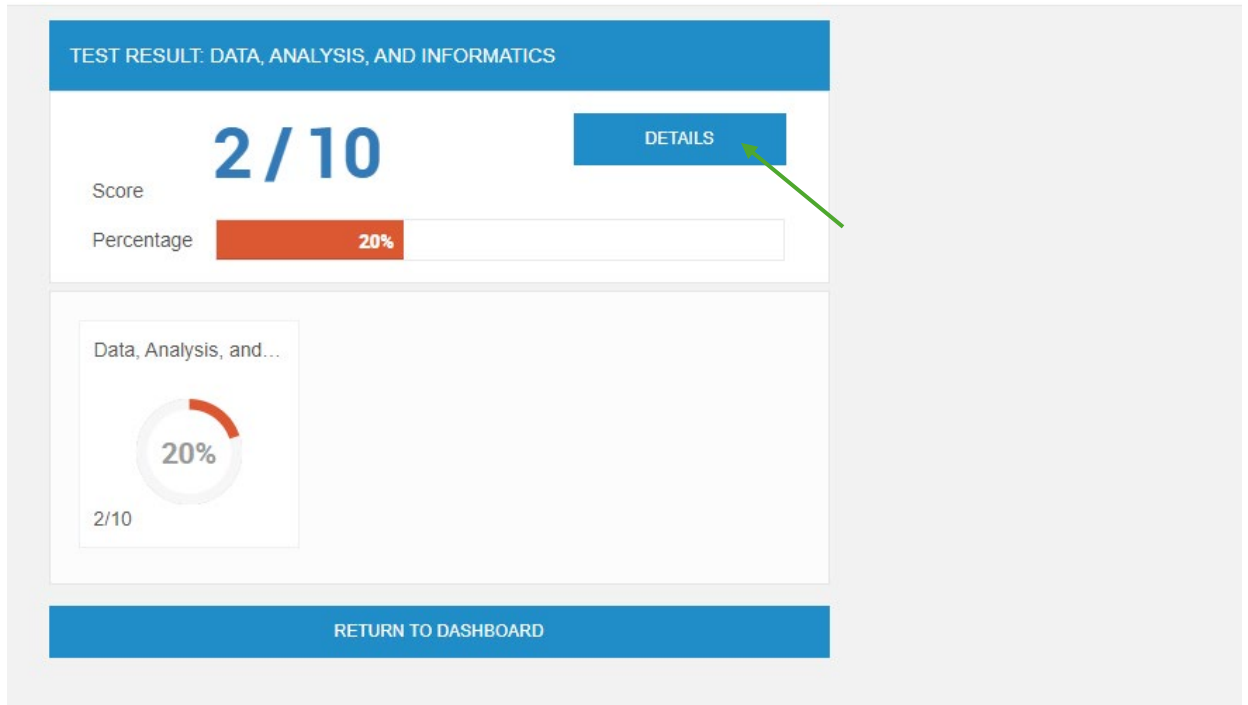

6. When done answering the questions, click **Finish** on the last item. Review your answers and click **Proceed**.

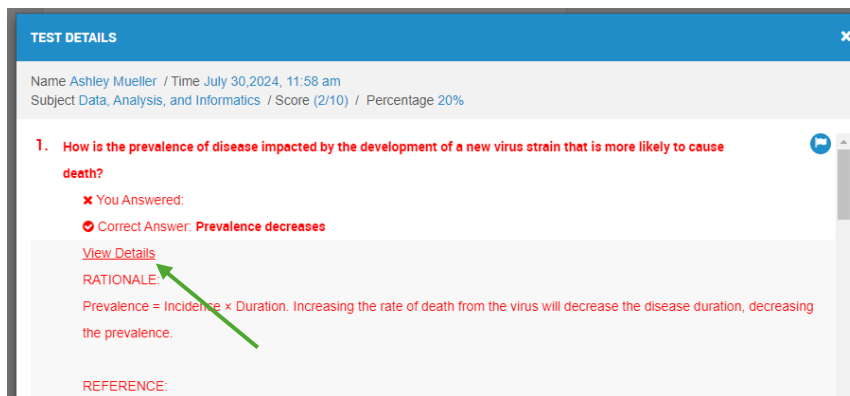

## Review Your Answers

1. You will get the results of your practice test. To review the answers and your responses, click on **Details**.

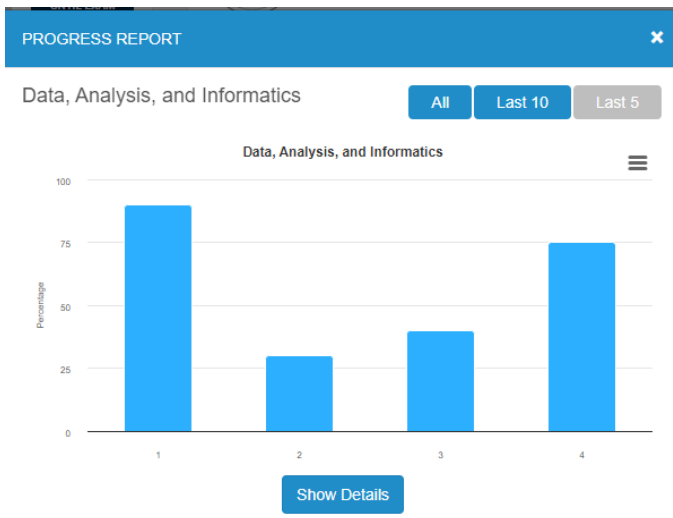

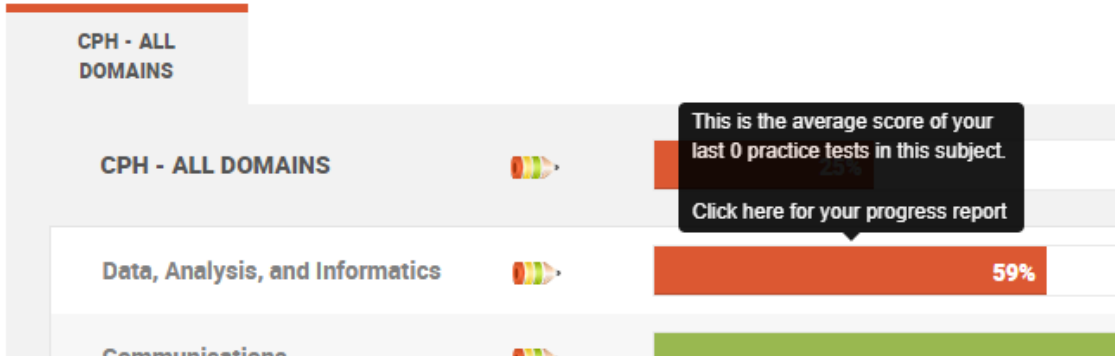

2. To get more information on items, click on **View Details**. This will show the rationale for the correct answer.

3. When you are done reviewing the details, return to the dashboard. **NOTE: You cannot return to this page to review the details again.**

4. On the dashboard, you will now see the progress bar. After taking multiple practice tests, you can see your progress by clicking on the progress bar to see how you've improved.

## Flashcards

You can also review all the flashcards or by domain. To review the flashcards:

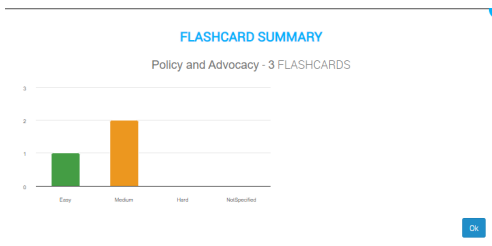

1. Click on the **Flashcard** icon to the left of the progress bar.

2. Review the definition, then click on the definition to reveal the term.
3. Once you review it, you can mark the flash card as **Easy**, **Medium**, or **Hard**. Marking the flashcards will allow you to sort and practice the ones you want in the future.

4. Click **Next** to review the next flashcard.
5. Review all the flashcards in the domain to see how you rated them.

6. After you've marked the flashcards as easy, medium, or hard, you can practice by unchecking the ones you don't want to practice.
